  - Unresolved Parking Lot Items
    1. When discussing Directives also look at how we deliver services, what does Ryan White funding provide. Financial eligibility may require Ryan White moves to a closed system where every person has a MCM to better determine client counts and eligibility or a process to make sure financial eligibility is determined within the guidelines from HRSA. – Tom Butcher asked all attendees to look at their regions and find out how they are operating with their clients, whether they require a MCM or not. Tom would like to regions to say to their providers something like “... it is expected for each client to have an MCM with documented exceptions.’ These exceptions can be documented in CAREWare and can be seen across providers. A Circle of Care new model will be created in SPA that addresses this issue.
    2. PSRA Framework: Include data requests for PSRA, ACA, accurate CAREWare numbers, Standards of Care, Standards of Care: SNAP application required, regional service category details, EIS detailed data, and eligibility specialists.
