<b>ITEM</b>	<b>STATUS</b>
The performance measures for chlamydia and gonorrhea screenings are concerning, the denominator for these are all clients who receive a Part A service which was expressed it should not be. On #14, 19 and 20 performance measures we would like to look further into these. We would like to see the results of the chart audits specifically on these items which are Hep C, chlamydia and gonorrhea. There is concern about this information is being used.	New
EIS FPL should be reviewed	New
